

Night Diver

The PADI Night Diver Course

As the sun sets, you don your [dive gear](#), slip on your [scuba mask](#) and bite down on your [dive regulator](#). A deep breath and you [step off the boat](#) – into the underwater night. Although you've seen this reef many times before, this time you drop into a whole new world and watch it come to life under the glow of your [dive light](#).

The Fun Part

Introduce yourself to the whole new cast of critters that comes out after the sun goes down. See your favorite dive sites from a whole new perspective at night.

What You Learn

- Night dive planning, organization, procedures, techniques and potential problems
- How to control your [buoyancy](#) at night
- Entries, exits and [underwater navigation](#) at night
- Nocturnal aquatic life, since many of the plants and animals you'll see are different
